2015 CLM Northern California Educational & Networking Event

OCTOBER 15, 2015

The City Club of San Francisco
Stock Exchange Tower
155 Sansome Street
San Francisco, CA 04104

Registration: 3:30 pm

Program: 4:00 pm – 5:30 pm

Join the CLM Northern California Chapter for an informative education and networking event featuring a presentation on ***"The Legal Landscape of the Sharing Economy: Homes and Rides"*** *at the City Club in San Francisco.*

Overview: The emergence of the sharing economy and its accompanying business model has brought about a dynamic change in our modern day legal landscape, as well as new risk. The Panel will specifically discuss, among other things, the ways in which California law has attempted to adjust in response to the insurance, labor, employment, and property issues that have emerged in the home-sharing and the ride-sharing economies.
