

California Restaurant Association: Smart Marketing and Online Reputation Management

Join the California Restaurant Association (CRA) and the San Jose Silicon Valley Chamber of Commerce for their third installment of San Jose Restaurant University. On June 23rd, we will be hosting a free educational marketing panel. Panelists will be discussing how to execute marketing tools and strategies within the restaurant industry.

The event will also include a local legislative update, as well as a Q&A portion for attendees to ask questions about the local and statewide political environment.
