

Ellen Storch is Named to Long Island Business News' List of Who's Who in Women in Professional Services

Faced with many issues inside and out of their office walls, Long Island's professional women have taken on 2011 challenges without missing a beat. In this Who's Who in Women in Professional Services section, Long Island's top women in banking, law, accounting and healthcare industries describe a challenge they have tackled this year — whether it was an industry wide concern or a personal undertaking.
