

Kaufman Dolowich Marks One Year Anniversary in Dallas and New Orleans, April 2023

Woodbury, NY (April 20, 2023) Kaufman Dolowich is pleased to announce the one-year anniversary of its Dallas and New Orleans offices.

Last April, the Firm expanded its footprint into the Southern United States with the addition of The Myers Law Group in Dallas and New Orleans. The expanded team brought with it a broad depth of knowledge and experience in labor and employment law, wage and hour class actions, insurance defense, Directors and Officers matters, general commercial litigation, and business law.

"Time does fly when you are having fun—it is hard to believe it's already been a year since we joined forces with Kaufman Dolowich," says Angella Myers, Managing Partner of the Dallas and New Orleans offices. "We are thrilled at the success and progress we've made over the past year, very thankful for the collegial spirit across the Firm that has allowed us to fit in seamlessly, and truly grateful to be a part of the Kaufman Dolowich firm family."

The Firm's lawyers represent a wide array of national and regional business clients and insurance groups, providing significant expertise in employment and management matters, the hospital and healthcare sector, and the public and private secondary and higher education sectors.

Their efforts have resulted in significant wins for clients greatly reducing their exposure and liability. In addition, the team is actively involved in their communities with both education and outreach. Among affiliations, partners serve on the Board of Directors of Helping Hands for Single Moms Dallas, which provides critical services and support to low-income families with a single mom struggling to earn a college degree while juggling work demands and raising children.

Dallas and New Orleans integration into the firm has only strengthened Kaufman Dolowich's footing and positioning in the Southern United States. The Firm anticipates future growth as it continues to respond to growing client needs across the country.
