

KD Proud to Support Hartford Financial Products 2017 U.S. Paralympics Fundraiser

KD is proud to support The Hartford's fundraising efforts for the U.S. Paralympics. The Hartford has been a sponsor of athletes with disabilities since 1994, becoming a founding partner of U.S. Paralympics in 2003. They will continue to be the Official Disability Insurance Sponsor of U.S. Paralympics through 2020. On September 26, the fundraiser, "A Celebration of Heroes" will help raise awareness and support for the 2018 Winter Paralympics and the team of incredible athletes.

U.S. Paralympic athletes embodied The Hartford's "Ability Philosophy", placing importance on what one

person can do, not what they can't. Fundraisers such as these provide resources and support to help people accomplish great things.

KD is committed to giving back to local communities. We are supportive of staff volunteer work or partner commitment to making positive changes in the world.
