

The Dawn of Digital Healthcare: Wearable Technology Risks and Strategies for Liability & Coverage Thursday, October 21

Laura Ruetters, Partner and Chair of KD's Data Privacy and Cybersecurity Practice Group, Abbye Alexander, Partner and Co-Chair of KD's Health Care/Managed Care Practice Group, Christopher Tellner, Partner and Co-Chair of KD's Health Care/Managed Care Practice Group, and other industry experts presented in a Professional Liability Underwriting Society (PLUS) live webinar on Thursday, October 21. The panelists discussed the intersection between technology and health care, and the needed protections offered by professional liability and cybersecurity insurance.
