

Directors & Officers Liability

Kaufman Dolowich knows today's challenging Directors & Officers landscape, post "subprime" and Madoff related debacles. We recognize that increased regulatory scrutiny and heightened exposures have made the current environment more demanding and costly for corporate directors and officers. Kaufman Dolowich is committed to protecting the interests of our insurance carrier clients and has a record of accomplishment doing so.

We provide critical insights and counsel in all aspects of D&O Liability and Coverage matters from initial notice of claim through disposition. Our capabilities include:

- risk assessment,
- underwriting consultation and advice during the underwriting process,
- evaluation and resolution of very complex D&O claims,
- drafting insurance policies,
- defending D&O carriers in litigation matters nationwide,
- providing expert testimony in litigation proceedings, and
- assisting with D&O claim audits.
