

Chatting About Online Mediations, CLM, Keith Gutstein

Keith Gutstein, co-managing partner of the KD Long Island office and co-chair of the labor and employment law group, was recently featured in a CLM news article.

Zoom mediations have been a reality in claims-related litigation for more than a year now, but is there a future for this emergent technology? Haralyn Isaac, vice president, claims, for the executive liability division of Great American Insurance Company, and Keith Gutstein, partner at Kaufman Dolowich & Voluck and co-chair of his firm's labor and employment law group give us their thoughts.
