

## Craig Glasser

### Overview

Craig Glasser concentrates his practice in securities arbitration, professional liability defense, and commercial litigation. Mr. Glasser represents insurance and securities industry clients, including broker-dealers, registered representatives, insurance agents, investment advisors and financial planners in state and federal court and Financial Industry Regulatory Authority arbitrations.

Mr. Glasser also defends professionals, including attorneys, architects, directors and officers, and financial services and insurance agents in professional liability cases. He also has significant experience representing individuals and businesses in commercial litigation cases in the areas of contract disputes, partnership and shareholder disputes, theft of trade secrets, and other business related claims as well as probate administration and estates and trust litigation.
