

Cyber insurance rates squeeze retailers, Business Insurance ft. Marc Voses

Marc Voses, partner in KD's New York City office, has been quoted in a *Business Insurance* article published February 22, 2015. An excerpt from the article, titled "Cyber insurance rates squeeze retailers," can be found below.

And while the Anthem data breach affecting 80 million people is massive, its effect on the cyber insurance market is not yet clear, said Marc S. Voses, a partner at Kaufman Dolowich Voluck L.L.P. in New York. While it will increase health care company demand for the coverage, "there are too many variables" to determine its effect on rates, he said.
