

Erik Ortmann

Overview

Erik Ortmann has more than 25 years of experience representing private and public owners, municipalities, general contractors, construction managers, design professionals, trade contractors and suppliers with respect to all aspects of construction law.

In addition to representing these entities in litigation and arbitration matters, Mr. Ortmann drafts and negotiates contracts, addresses compliance issues, and provides advice on a daily basis. His experience includes representing parties in the bridge, heavy highway and vertical building industries. Mr. Ortmann is also certified by the U.S. Green Building Council as a LEED® Green Associate.
