

Kaufman Dolowich Donates to Feeding America

During the recent holiday season, the Firm made an impactful donation to Feeding America, the largest domestic hunger-relief organization in the U.S.A. It is an organization that we have supported for the past several years because the economy, inflation, and the Covid pandemic have exacerbated the hunger crisis all across the country.

The Firm's donation will provide 75,000 meals to families in the 17 cities and surrounding regions where our law firm offices are located, including:

- *Island Harvest (Long Island)*
- *City Harvest (New York City/Westchester)*
- *Los Angeles Regional Food Bank (Los Angeles/Torrance)*
- *SF Marin Food Bank (San Francisco)*
- *Feeding South Florida (Fort Lauderdale)*
- *Community Food Bank of New Jersey (New Jersey)*
- *Philabundance (Philadelphia/Blue Bell)*
- *Greater Chicago Food Depository (Chicago)*
- *Alameda County Community Food Bank (Oakland)*
- *North Texas Food Bank (Dallas)*
- *Second Harvest Food Bank of Central Florida (Orlando)*
- *Redwood Empire Food Bank (Sonoma)*
- *Connecticut Foodshare (Connecticut)*
- *Second Harvest Food Bank of Greater New Orleans and Acadiana (New Orleans)*

It is in the spirit of our valued client relationships that we donate to combat hunger in these communities.
