

## Insurance Loss Control Association (ILCA) 2018 Conference

The Insurance Loss Control Association ( ILCA) is solely devoted to the profession of Loss Control in the insurance industry. Through newsletters, Annual Conference, and networking opportunities they strive to fulfill the ILCA mission "to provide education and knowledge sharing opportunities that improve the loss control capabilities of our members, and to raise awareness of the benefits of professional loss control practices."

The 2018 Conference will be held October 15th - 17th in Chicago.

### GENERAL SESSION TOPICS INCLUDE:

Food Safety Lessons from Losses

Ergonomics

State of the Industry Healthcare

Managing Safety Across Generations
