30 N. LaSalle Street, Suite 1700, Chicago, IL 60602

Considered a “Department of Law” location by the city of Chicago, this new KD office shares the building with a host of other tenants in the legal services industry. The office is conveniently located in the heart of downtown Chicago and boasts city views from within its black “emerald Pearl” building composed of granite, glass and extruded aluminum forged with Ludwig Mies van der Rohe (regarded as one of the pioneers of modern architecture) influenced architecture.

This move will not delay or hinder any communication with the firm or its attorneys. Our phone numbers remain the same. All correspondence to the former office will be forwarded to the new office, and KD personnel have worked diligently to ensure a seamless transition. Any questions regarding this office relocation can be directed to our Co-Managing Partners, Stefan Dandelles at (312) 646-6742/sdandelles@kaufmandolowich.com and/or David Brown at (312) 646-6743/dbrown@kaufmandolowich.com.
