### PLAN Women's Forum: Discussion of Stiletto Network by Pamela Ryckman

KD is honored to be co-hosting the PLAN Women's Forum. Over the past few years, women's groups have been coalescing in every major American city. Formidable ladies across industries are convening at unprecedented rates; they're forming dinner groups and networking circles, and collaborating not only to advance their own careers but also to create a more just, equal society.

*Stiletto Network*, by Pamela Ryckman is about "Success is Stress." It's about what happens when bright, caring women come together to celebrate and un-

table, when the talking stops and the action starts. With engrossing narrative marked by compassion

and wit, *Stiletto Network* is the first book to shed light on this groundbreaking movement

Each attendee will receive a signed copy of *Stiletto Network* by Pamela Ryckman!
