

Kaufman Dolowich Donates to Feeding America this Holiday Season

*As part of KD's continued commitment to address hunger in America, we are pleased to share that the Firm provided over 50,000 meals to local families and communities via its year-end donation to local food banks through **Feeding America**.*

This is a firm tradition KD is proud to continue. While the nation still grapples with the pandemic and food insecurity remains a daily challenge, it is KD's sincere hope that fewer adults and children will go without meals.

Donations were made to: City Harvest (New York City/Westchester); Community Food Bank of Central Florida; Community Food Bank of New Jersey; Greater Chicago Food Depository; Feeding South Florida; Island Harvest of Long Island; Los Angeles Regional Food Bank (Los Angeles/Torrance); Philabundance (Philadelphia/Blue Bell); Redwood Empire Food Bank (Sonoma); Second Harvest Food Bank of Central Florida; and San Francisco Marin Food Bank.

Thank you for helping make this possible.
