

KD Sponsors Union County College Foundation

On Friday October 13, KD attorneys and managing partners Ivan Dolowich and Kevin M. Mattessich will be attending the Silver Anniversary Scholarship Gala for the Union County College Foundation. As a sponsor of the gala, KD helps fund the Foundation's mission of supporting the educational needs of Union County College students by providing resources not available through public funding. Union County College is a public comprehensive community college, known for excellent programs that lead to an Associate in Arts, Associate in Science, Associate in Applied Science degrees, and Certificates.

KD is dedicated to giving back to its communities. Attorneys are encouraged to volunteer. The Union County College Foundation's Close the Gap Program to increase the African American Male graduation rate, falls in line with KD's Diversity Initiative. KD continues to support programs that raise awareness of the benefits of a diverse workforce.
