From Hollywood to Congress, women are bravely challenging gender dynamics, including sexual abuse, in the workplace. The seeds of this tectonic cultural shift were sown in civil rights cases of the last millennium, and have grown through the efforts of tireless advocates such as Professor Catharine A. MacKinnon, whose work for legal and social justice for women knows no geographic bounds. Learn the genesis of today's headlines, and how women throughout the country and around the world are making a difference. The fireside chat with Dr. MacKinnon will be moderated by PLUS Member Louie Castoria, Co-Chair Professional Liability Practice Group, Kaufman Dolowich & Voluck, LLP.
