

The Pennsylvania Conference for Women

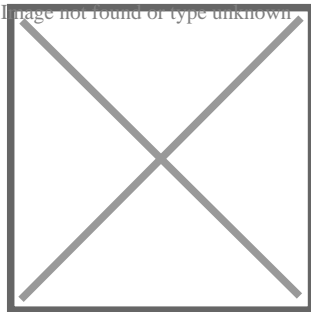

KD partner Eileen Ficaro will be attending the Pennsylvania Conference for Women on October 3, 2017. The one-day conference will feature inspirational keynote speakers, including former First Lady Michelle Obama, skill-building sessions and opportunities to develop new relationships with other women leaders. With sessions ranging from personal finance, health and wellness, and career advancement, this unique event offers something for everyone.

The mission of the Conference for Women is to promote, communicate and amplify the influence of women in the workplace and beyond. The Conference offers opportunities for business networking, professional development, and personal growth. KD is committed to empowering women associates and partners to succeed by fostering a supportive environment that is responsive to their needs, as well as by providing opportunities for their development, advancement and leadership within the firm. Much like Ms. Ficaro, KD women attorneys take an active role in the community through associations and various civic and business organizations.
