

SB 9 & 10: Did California Say Goodbye to the Single Family Home?, authors A. Jeanne Grove, Esq., & Jonathan Kathrein, Esq., Daily Journal, Jan. 5, 2022

Senate Bill 9 allows certain single-family-zoned properties to be split and two units to be built on each new lot. Senate Bill 10 allows a jurisdiction to rezone any property for up to 10 residential units without California Environmental Quality Act Review.
